

Hi my name is Bernie De Souza

Well you know how, since RDR, getting more clients for Financial Advisors has been more painful and can be stressful, as many of us have forgotten how to sell.

But some Advisors have figured out a way to get more clients more easily.

There are 2 types of people, those who get more clients using these fifteen magic words and those who wish they could.

I have good news and bad news, here is the bad news first.. we are not taught the right words to influence people at school,

But the good news, I can teach you the exact words to use every single time, I have been asked to deliver this Key Note speech as the main platform speaker at the MDRT Internationally as Advisors all around the world who want these skills now.

In this incredible product, which consists of recordings of live workshops, some in the studio and even interviews plus a workbook, which is packed with information, tips and the exact words to use, you can become a master and close all the Business you want

.

When you listen and read these Advanced skills on the fifteen magic words you will discover the 5 levels of closing you will get more clients more easily, you will have the confidence when you see clients, close quicker with the right fees, build instant solid trust and take control in the first few seconds of every meeting, help clients to make a decision to buy, without even selling.

In the UK the CEO of the Personal Finance Society has asked me to share this skill with over 20,000 Advisors in the UK, with a series of workshops being taught throughout the UK and Ireland.

I have also invested over 20 years of my experience with the help of Allan Pease the great Australian Author and Sales Trainer, Peter Thomson from the UK, Joe Picci, and Tom Big Al Schreiter from the States.

Just to name a few to put all of these sales secrets in one place for you.

In this ultimate guide on how to get more clients more easily using these 15 magic

words without even selling.
